Elephants, giraffes, buffaloes, wildebeests, zebras, hippos and hyenas are also often seen here, sometimes in front of a background of flat-topped acacia trees. Impalas are everywhere. Bird-watchers will also love the chance to see more than 500 bird species.

ACCOMMODATION: Sentrim Mara Camp

Sentrim Mara is well located in the eastern, wildlife-filled reaches of the Masai Mara National Reserve. You might also see giraffe, impala, zebra, wildebeest, buffalo, hundreds of species of birds and that may all just be before breakfast. You'll never forget watching these animals interact, whether you see a hunt, a vast herd or a mother protecting her cub or calf. The Serengeti's scenery is also unforgettable – observe Africa's iconic acacia trees, the park's golden grasslands and great piles of boulders known as kopjes.

ACCOMMODATION: Tukaone Serengeti Camp

You'll likely feel a part of the Serengeti at solar-powered Tukaone Camps because the park's famous savannah plains and acacia trees are visible everywhere from camp. Relax in the dining tent or around the campfire, and listen for the night sounds of the Serengeti.

Day 8 & 9: Wildlife Haven of Ngorongoro Crater

Highlights: Ngorongoro Crater, Natural Wildlife Haven

Ngorongoro is a special place and the first time that you descend onto the crater floor is like no other safari experience in Africa. This is a world unto itself, one where you'll encounter the crater's 600-strong population of hyenas, as well as critically endangered black rhinos. You'll also find elephants with larger-than-average tusks, and more than 50 lions living in the crater. But it's the sheer beauty of Ngorongoro that will most likely live longest in your memory. From early morning, mist rises from the crater, revealing steep, forested walls, secret waterways where hippos wallow, and a world of abundant wildlife hidden away from the rest of the world.

ACCOMMODATION: Hhando Coffee Lodge

Stay on your very own coffee farm at Hhando Coffee Lodge which is alongside the forests close to Lodare Gate, near where the road climbs to Ngorongoro Crater. Walk through the plantation, swim in the pool, or enjoy the local dishes using local ingredients in the restaurant. The large rooms are set in appealing bungalows that have private terraces with fine views

Your early morning descent into Ngorongoro Crater on a guided game drive is one of East Africa's best safari experiences. You'll spend most of the day getting to know this special place and its wildlife.

Day 10: Journey through Manyara

Highlights: Abundance of wildlife, Tree-climbing Lions, The Great Rift Valley

Lake Manyara National Park will allow you to tick off so many unique safari highlights, including many that you just won't find elsewhere. Unlike the elephants you'll see in other parks, Lake Manyara's inhabit dense forest – there's nothing quite like your experience of an elephant suddenly emerging from behind the nearest tree. Also, you're just as likely to see lions here draped along a branch high in a tree as down on the ground.

And baboons. Lots of baboons. The views you'll see here, too, persist in your memory long after you've returned home, thanks to the combination of lake, forest and sheer cliffs, all within just a few kilometres.

ACCOMMODATION: Africa Sunrise Lodge

Enjoy the views at African Sunrises Lodge, which sits on a rise above Lake Manyara National Park and close to the town of Mto wa Mbu. Simple, spacious accommodation in bungalows and safari tents is a big part of staying here, and the lodge has strong ties to the local Maasai community. There's a bar and restaurant onsite as well

Activities

AFTERNOON

Take a guided game drive around the forests and along the lakeshore of Lake Manyara National Park, and look for elephants and tree-climbing lions, all in the company of an expert guide.

MEALS:

BREAKFAST, LUNCH & DINNER

Day 11 & 12: Spotting the elephants of Tarangire

Highlights: Ancient Baobab Trees, Herds of Elephants

We think you'll be impressed with Tarangire National Park. Most visitors love the distinct shapes of the baobab trees silhouetted against the sky that make this place feel like a fairy-tale African landscape. Or visitors remember the elephants that roam in family bands everywhere throughout the park. If you're lucky, you'll also encounter the big cats – lions especially, but also cheetahs and leopards – that are always a possibility here. And there's a fair degree of certainty that you will tick wildebeest, giraffe, hippo, buffalo and zebra off your wildlife-viewing list.

ACCOMMODATION: Tarangire Sopa Lodge

Well-placed for exploring the quiet, but wildlife-rich southern sections of Tarangire National Park, Tarangire Sopa Lodge has large rooms decorated with safari prints and warm color schemes. Elephants and baboons are frequent visitors to the hotel, and you might even be able to watch them from your room. With a swimming pool, bar, restaurant and shop, the lodge offers the complete package
