Itinerary

Day 1: Safari starts with a trip to Maasai Mara

Highlights: Africa Big Five, Maasai people, wildebeest migration

You will be picked up from your Nairobi hotel/Airport early morning and depart for Mara. You will arrive just before lunch, and head for a little game drive as you head to your lodge for lunch. Get a little rest then off to an afternoon game drive. With a huge concentration of Wildlife, Maasai Mara is among the best parks for a truly remarkable African Safari. The biggest highlight of any Mara adventure is the annual wildebeest migration, crossing over from Serengeti into Mara for greener pastures. The Big Five also call this place home, with spotting a leopard relatively easy.

ACCOMMODATION: Ashnil Mara Camp

Stay deep in the Masai Mara National Reserve at Ashnil Mara Camp where you'll be surrounded by trees overlooking a bend in the Mara River. You can often see hippos and crocodiles down below the camp. The wood-floored safari tents are luxurious, and everything here is excellent, from the service and the restaurant, to the bar, swimming pool, and the spa center

Day 2 - 4: Home to the Big Five and Wildebeest Migration Maasai Mara

Highlights: Wildebeest Migration, African Big Five, Crocodiles, Hippos

One of our favorite places to look for wildlife is the Masai Mara National Reserve. That's because the wildlife here is incredible, with big cats (lions, leopards and cheetahs) and elephants among the highlights. There's a very good chance you'll also see giraffes, buffaloes, wildebeests, zebras, hippos, hyenas, and, of course, impalas. And bring your binoculars, because more than 500 species of birds have been recorded in the reserve.
